## BOARDING INFORMATION

**Thank you for making us your pet's home away from home!**

Our hours of operation are Monday thru Friday from 7:00 a.m. to 5:00 p.m. We ask that you drop off or pick up during these times. Please drop off at least 15 minutes prior to closing to ensure we have time to make your pet comfortable before we leave. If you are unable to pick up on the scheduled date, please call us so arrangements can be made.

**Vaccinations:** All pets being boarded must be up to date on their vaccinations. The following are required vaccinations for boarding with us:

**Dogs – Rabies, DHLP, Bordetella**

**Cats – Rabies, FVRCP**

**External Parasites:** All pets must be free of external parasites. Any patient found to have fleas or ticks would be treated at its owner's expense.

**Prescriptions:** Any prescriptions or supplements should be in the original package and must have clear dosing instructions.

**Food, Treats, and Personal Belongings:** Feel free to bring food, treats, toys, etc. We want them to feel as comfortable as possible during their stay. We feed Science Diet Sensitive Stomach which is an easy transition food. Please let us know at drop off if there of any special concerns or instructions for the care of your pet.

I understand that unforeseen conditions may necessitate emergency care in my absence. I expect Greenbush Veterinary Clinic to use reasonable care and judgment regarding the care of my pet and that every effort will be made to contact me before services are performed.
